## How To Be A Christian

Yet if any man suffer as a Christian, let him not be ashamed; but let him glorify God on this behalf. 1 Peter 4:16

Where: Epworth By The Sea, St. Simons Island, GA

When: July 6-9, 2026

### Participation Options

Stay on Epworth Campus: Enjoy the conference the most by staying on the grounds. Your fee covers conference registration, lodging and meals. If you plan to stay on campus for the conference and have not pre-registered, you should complete the attached registration form and mail it to Pat Flowers, Conference Treasurer.

Daily: If you cannot attend the full conference, please plan to attend as many days as possible. No advanced registration is required for daily attendance. The daily registration fee is \$10 per person or \$25 for the entire conference, (free for ministers and wives, see page 2 for details). Meal tickets may be purchased at the Epworth Registration Desk.

If you pre-registered during the 2025 Bible Conference, or later, you do not need to send a new registration form. Pat will notify you about your balance due for this year's conference.

**Youth Program:** Parents and Grandparents, please encourage and bring young people to the conference. Recently we have had very few youth attend, but we would like that to change! An exciting separate Program of activities has been developed for this year's youth attendees.

### About the Conference

The Program Committee has selected "How To Be A Christian" as the theme for our 106th Annual Conference. We will have nine messages from God's word, plus one interactive session. It is our desire that each message will improve our understanding of Christ and strengthen our relationship with Him.

**Ministers and Licentiatees:** It is extremely important for our preacher brethren to attend. Please see the registration for the very generous ministerial discount (basically half price) to encourage attendance.

**Music:** We will use the talent God has given His people to support and enhance the worship services. Great congregational singing has always been a Spirit-lifting part of the conference.

**Exhibits:** We encourage our churches, organizations, committees and groups to share information about their programs and activities. Exhibits may utilize project boards, videos, slides, or other visual displays. Leaflets or brochures, along with the displays are helpful. WIFI is available. Please contact Merritt Spier (770-468-1108) or Walter Daniel (678-237-7172) for details and to make arrangements for space.

**Pickin' and Praisin':** Everyone is invited to join this fun time with our musicians and singers. Bring your instrument along with your voice and tapping toes!
